

Freedom and the Formless

A 3-Day Retreat on the Three Principles of *Mind, Consciousness* and *Thought*.

Begins at 12:30 pm on Wednesday, Aug. 25 and ends at 2 pm after lunch on Friday, August 27. (We encourage participants to come a day or two early if possible for their own personal reflection time. Arrangements can be made separately with Villa Maria del Mar, or local hotel.)

At this intimate learning & reflection retreat, beachside, perched on a cliff just above the ocean in the beautiful coastal village of Santa Cruz, CA, CSC Director Ami Chen Naim will lead discussion and dialogue on the following:

- Review and Exploration of the Three Principles and current applications
- What makes the Principles so unique and powerful?
- Freedom, love, courage, integrity, wisdom--increasing our power as human beings, students and teachers
- Relationships
- "Lifelong learning" in the 3 Principles tradition
- Respectful, honest dialogue on the essential Formless nature of the Principles, and current popular spiritual teachings in the world: What is the same? What is different? Can we help bring the Principles out with respect for other "forms" of truth?
